

Goals, Objectives, and Measures (continued)

Target: Ten health systems/organizations will adopt the Zero Suicide framework by December 2020

Current: 15 organizations have adopted the Zero Suicide framework as of March 2018

Strategy: At least 10 new organizations will formally adopt the Zero Suicide Framework systematic approach to quality improvement in health and behavioral healthcare settings.

Accomplishments:

- All 13 local mental health authorities completed organizational assessments (July 2017)
- All 13 local mental health authorities and the Utah Navajo Health System have a zero suicide plan in place.
- There is a Zero Suicide workplan template available to agencies to Guide Planning efforts. (<http://zerosuicide.sprc.org/sites/zerosuicide.actionallianceforsuicideprevention.org/files/Zero%20Suicide%20Workplan%20Template.pdf>)
- 12 additional agencies are currently participating in the Utah Zero Suicide Collaborative
- Utah Zero Suicide Summit is scheduled for July 2018

Goal: Increase social norms supportive of help-seeking and recovery.

Objective: Train at least 10% of the population of Utah in an evidence-based gatekeeper training.

Measure: Number of people trained in an evidence-based gatekeeper training

Baseline: 25,000 (estimated) as of January 2017

Target: A minimum of 299,592 Utahns trained by December 2020

Current: 33,000 (estimated) as of March 2018

Strategy: Evidence-based training will be offered to Utahns in a variety of settings. These include training programs such as CONNECT, QPR, Mental Health First Aid, ASIST, Working Minds, and others.

Accomplishments:

- Utah Suicide Prevention Coalition training calendar is available online (<https://utahsuicideprevention.org/education-training/calendar>)

Goal: Reduce access to lethal means of suicide and death.

Objective: Partner with at least 30 firearm retailers, concealed carry instructors, and/or firearm enthusiasts to incorporate consumer suicide awareness and prevention materials as a basic tenet of firearm safety and responsible firearm ownership.

Measure: Number of formal partnerships established

Baseline: Zero partnerships as of January 2017

Target: Ten firearm retailers, instructors, enthusiasts in Utah will have incorporated suicide education, prevention, and awareness efforts in their businesses by December 2020

Current: Five firearm retailers, instructors, enthusiasts in Utah will have incorporated suicide education, prevention, and awareness efforts in their businesses as of March 2018

Strategy: Thirty firearm retailers, instructors, or enthusiasts will have formal policies and protocols established to educate staff and clients and customers on suicide prevention, safe storage of firearms, and reducing access.

Accomplishments:

- Online training video on suicide prevention for concealed carry instructors completed (July 2017 -<https://vimeo.com/181070742>)
- Training and education on safe storage of firearms and suicide prevention available (July 2017 -<https://utahsuicideprevention.org/firearmsafety>)
- Suicide prevention brochures and gun locks are available to anyone for no cost through the Utah Department of Public Safety.
- One gun shop partner is currently actively engaged in training in suicide prevention and will be releasing mini grants in December to provide funds to others
